RE: NOTICE OF INTENT TO CONTRACT FOR MID-CITY GARDENS ACTIVITY CENTER

On September 19, 2022, the Louisiana Housing Corporation (“LHC”) issued a Notice of Intent to Contract For Mid-City Gardens Activity Center. After careful review of the responses to the Notice of Intent, the LHC has determined that it is in the best interest of the neighboring community to reissue the offering following more robust outreach efforts to potential applicants. The LHC staff will follow HUD requirements and feedback received from Mid-City Gardens residents to develop a defined list of complementary activities for the space.
